

The Lord's Table

1 Corinthians 11:23-34

Being invited to share in the Lord's Supper is a privilege that is extended to the Church of our Lord and it is a powerful tool that too many of us only take once a month or on special occasions. The Lord wants us to know that Communion is a powerful tool that we have to ensure that we can walk and live in victory, on this side!!! When we take communion we should expect to be spiritually healed, mentally healed and physically healed. The Bible says in Leviticus 17:11 that "the life of the flesh is in the blood" and we experience that life each time we partake of the Lord's Supper.

Below we will post anointed messages that are shared to show us the significance of daily taking communion for victory over sickness, poverty, depression, lack and so many other deficiencies that we have. Enjoy the message and then meet us Mon - Friday @ 7:00 AM by calling **515-604-9574 access code 207588**.
